## Sweet Treats for Your Sweetheart

Give the one you love exactly what they've been craving—decadent chocolate! No doubt inspired by their collective sugar cravings, nationally acclaimed tour group **Savor Seattle Food Tours** has crafted a tasting tour around Seattle's other famous bean (which also happens to roast really well in a cool climate): the cocoa bean. During this two-hour walking tour you'll enjoy a devilishly good assortment of chocolate in a variety of forms—truffles, gelato, cupcakes, bars and even the salted, caramel-filled treats that President Obama personally requested be served at the White House. But it's not just about tasting: You'll learn about the history of chocolate in Seattle, what the city's more-than-50 chocolatiers are crafting up today, and even how to serve and pair chocolate as you enjoy sweet treats made right here in the Emerald City. If your sweet tooth is still in training, don't worry, you can box up any treats you can't finish during the tour. - ML
